Use of the posters.

All the posters below are editable so you can insert relevant information (Event, where, when and provider).
We recommend that you use Adobe Acrobat Pro, or any other PDF editor you have, to customize the poster.

1. Install the font Cormorant Garamond located in the folder.
2. Open the .PDF using Adobe Acrobat
3. Go to the menubar in the right side and click Edit PDF
4. Go to the text field and replace the placeholder text (Event, where, when, host).
